Coats

All children are expected to have a waterproof coat with them every day.

Where to Purchase

Most department stores stock ranges of clothing suitable for school wear. As of 17th June 2013, the items above marked with (*) can be purchased from Marks & Spencer via their website <http://www.mandsyourschooluniform.com> by telephone 0845-3570030, or can be ordered in any store. You can order a variety of items with the logo, and also shirts, trousers etc without the logo all year round. You should receive your order within 5 working days if it requires the logo, or 3 working days without. Delivery is free for orders over £50, otherwise a standard delivery charge of £2.50 applies. The PTA will then receive 10% commission on all sales made via M&S. If you are ordering online, the PTA asks that you also sign up to easyfundraising:

<http://www.easyfundraising.org.uk/oaklandsschoolspta/?u=2AQKF2&urp=2AQKF2>

This website provides the PTA with a percentage of online sales with various online retailers (1.5% with M&S & Amazon) if you enter the retailers via the easyfundraising website. Bookbags can be ordered from M&S, PE bags remain with our previous supplier but will hopefully be available from M&S later in the year. The PTA attends the new parents' induction visit where they have samples of uniform and bags with them and also runs a nearly-new uniform sale twice a year in the Infant playground. Parents are notified of these dates by letter, nearer the time.
