Wanted

The most vicious and hateful pirate Blackbeard is wanted by the English Government. He is called Blackbeard but he also goes by the name Edward Teach. You'll know it's him because of his long and wavy beard with woven seashells and his wooden leg!

He never smiles but grimaces instead and bares his black, rotten and nasty smelling teeth. His eyes are full of darkness, like pools of evil staring at you waiting to do something vile. Blackbeard wears tatty and dirty clothes that he has often stolen from the dead.

Blackbeard is wanted because of his careless ways. He has killed many innocent people and stolen thousands of jewels and buckets of gold that do not belong to him. If you come across him be careful not to get into a disagreement with him or it might be you that's washed up on the beach!
