

Welcome to Oaklands Infant School

At Oaklands Infant School we immerse children in an inspiring, nurturing environment that gives them deep roots for future growth.

Oaklands Infants is unique in the local area being the only school devoted solely to infant age children. The goal is to give our children the best possible start, building a solid foundation to what will become a lifelong love of learning, exploring and discovering knowledge. The school is proud to play the first part in nurturing them to be the best they can possibly be.
