

## Children's Jubilee Digital Art Competition

Would you like your art to be displayed in our special Jubilee exhibition at Bracknell Library? Not only will all contestants have their work shown as part of our Jubilee display, but the winners' art will be used in our promotional posters and specially printed bookmarks.

Bookmarks will be 52mm by 210mm and the art will be reproduced to a similar size on the posters. This is a small space to make a big impression, so it's important that your image is bold, high resolution and relevant. Think corgis! Think crowns! Think bold and beautiful!

Two age categories: Under 11s & 11 to 17 years

You can use whichever art software you like – on your home PC, tablet, laptop or phone.

For details of requirements and how to enter, check our [Jubilee competitions page](#).

**Prizes kindly donated by Daler Rowney, Waitrose and Ryman**

Closing date: 10 April 2022
