Part A: Pupil premium strategy plan

Statement of intent

At Oaklands Infant School our intention is to ensure all our children make the best possible progress and reach their full potential. Our aim is to reduce all barriers to learning and ensure full access to the curriculum.

The goals of our ambitious and challenging curriculum are to create learners who are:

- Happy
- Respectful
- Resilient
- Articulate
- Independent
- Curious
- Creative

To support children's academic learning, early support strategies for those who need additional help with reading, writing or mathematics have been funded through the Pupil Premium Grant. We also use the grant to ensure our children make at least good progress from their starting points, in literacy and mathematics, and other areas of the curriculum. We aim to support our disadvantage children by ensuring high-quality first teaching with a focus on areas in which our children require the most, improving and sustaining parent involvement and ensuring our children are challenged in their learning. Our approach will be based on common challenges and individual needs.

We will use data to measure the impact of the Pupil Premium Grant on our children's learning. We will review the effectiveness of interventions we are using and adapt them to meet needs when and where required. We believe that the enrichment activities we provide through the Pupil Premium Grant will help our children become increasingly confident in all aspects of their learning and development.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	A new systematic synthetic phonic scheme adopted and implemented effectively including interventions.
2	Embed high quality writing opportunities across the whole school curriculum throughout the school.
3	Pupils to be active listeners and engage in their learning.
4	Pupils to show respect to the whole school community.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
A new systematic synthetic phonic scheme adopted and implemented effectively including interventions.	All staff will be trained in the new SSP. Interventions will be implemented and embedded where necessary.
Embed high quality writing opportunities across the whole school curriculum throughout the school.	Through book looks, pupil voice, drop-ins and subject monitoring there will be clear evidence of cross-curriculum writing opportunities. Children will apply their writing skills and knowledge at every opportunity.
Pupils to be active listeners and engage in their learning.	Through observations and subject monitoring, children will be active listeners and engaged in learning. This will be evident in their books and engagement of the curriculum. Pupil survey summer term 2023.
Pupils to show respect to the whole school community.	Through observations and subject monitoring, it will be evident that children are showing respect through the use of our school character values. Pupil survey summer term 2023 plus comments from external visitors.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2021 to 2022 academic year.

Aims - Teaching	Outcome
Improved reading attainment among disadvantage children.	PPG progress in-line with non-PPG.
Increased writing opportunities across the curriculum.	Through monitoring pupils' books showed evidence of writing skills being applied across the curriculum.
Maths Mastery approach will be embedded.	Through book looks, pupil voice, drop-ins and Maths monitoring Maths mastery was evident.
Improve independence skills and resilience.	Through observations and pupil voice children's independence and resilience increased. This was evident in books and engagement of the curriculum.

Service pupil premium funding (optional)

Measure	Details
How did you spend your service pupil premium allocation last academic year?	We implemented all the above teaching for all service pupils.
What was the impact of that spending on service pupil premium eligible pupils?	See above.
