Next Thing education camps

HOLIDAY TECH CLUB

AGES 5-11

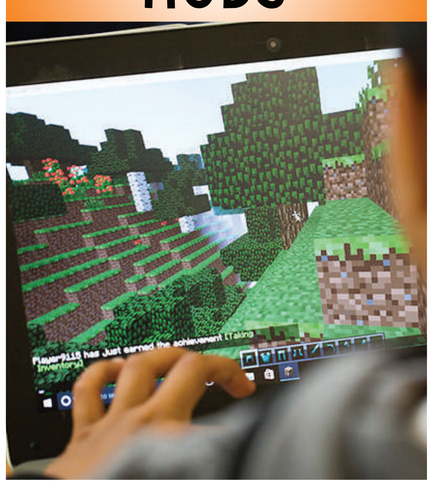
A place for creative kids!

ANIMATRONIC CODING

Get **hands-on** with the latest robots and power them with **code**. Exploring variables, events, conditionals and encouraging **creativity!**

✚

MINECRAFT MODS



DJING + MIXING

Engage with your **creativity!** Learn key music **production** skills including mixing and wave forms that come together to make serioulsy **cool** tracks!

✚

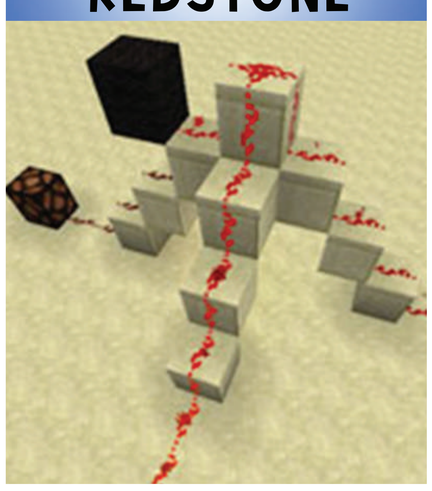
3D WORLD BUILDING

LASER TAG

Dive into **tech fun** with laser tag! Then use 360 degree cameras to record environments and build them into your own **virtual world**

✚

MINECRAFT REDSTONE



INGENIOUS INVENTORS

Calling all inspiring **inventors!** We challenge children to create new inventions using **modular electonics**, helping to develop problem solving skills.

✚

SPORT TECHNOLOGY

RENEWABLE ENERGY

Fantastically fun! Encouraging children to understand the importance of **renewable energy** and using it to power robotic movement and direction.

✚
