(That is what descendants are.) If you have a Bible it is in Genesis chapter 17, at the beginning of the Bible. You could watch it on YouTube ‘God’s promise to Abraham’. The story of Moses that we learnt about early last term also shows how God looked after his people. Can you remember the story and tell someone in your house? The Jewish people promised God that they would keep the Ten Commandments. If you have a children’s Bible read the Ten Commandments.</p>
