

# Writing sentences with and

I can use **and** to write a longer sentence of my own.

1. Use the ideas bank to help you plan your own special party. Remember to use **and** to join together your ideas.

|          |                 |                 |
|----------|-----------------|-----------------|
| balloons | sandwiches      | party games     |
| cake     | friends         | dancing         |
| singing  | pass the parcel | musical statues |
| fun      | laugh           | birthday        |
| card     | present         |                 |

## My Special Party
