Dear Parents/Carers

## Parents' Information Evening

At the end of September every year, we usually hold a Parents' Information Evening which enables parents/carers to meet their child's teacher, see the learning environment and find out about the children's new class regarding expectations, curriculum, routines etc.

Due to the current Covid situation, we are not permitted to hold whole school events, however, each teacher has prepared information for you to read through and which you will find attached.

We have also put together a forum for you to use to post general questions (please do not ask specific questions about your own child, as this is a public resource) These must be posted by **Monday 28th September**. Find the links below:

Foundation Stage: Please look at your Tapestry account

**Monday 28<sup>th</sup> September 12pm** the forum will be closed. The answers and any further information will be posted on our school website by **Friday 9<sup>th</sup> October** at the latest. Please follow the steps below to access it:
