# Fire Service – Oral Teacher Questions

What number should you call in an emergency? 999

Give three examples of clothing a fire fighter wears. Helmet, jacket, gloves, boots

Can you name two things that you should not play with to stay safe? Matches, plugs, electricity.

What do you think you should do if you see another child playing with matches? Sensible answers, e.g. tell them to stop/explain why it is dangerous/tell a grown-up.

Why do you think you should stay calm, not hide and go outside if there is a fire? Sensible answers, e.g. go outside to get away from the fire/don't hide in the house because the fire might spread.

What is this called '!' ? Exclamation mark.

Why do we use '!'? To show something is important, strong feelings, surprise, etc.

Is this a fiction or non-fiction text? How do you know? Non-fiction – information, real, not a story, not made up, etc.

Why do you think the fire service leaflet is important? Sensible answers, e.g. helps children to learn to stay safe.
