

How to make a castle image

You will need

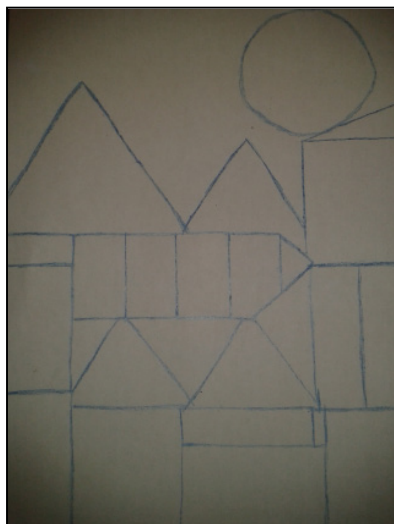

- Cut out lots of 2 dimensional shapes out of recycled cardboard
- Pencil crayons
- Watercolours
- Paper
- Castle and the Sun image by Paul Klee

Instructions

1. Show Paul Klee's image Castle and the Sun.
2. Leave the image up on the computer as a guide.
3. Use the cut out cardboard shapes to trace around.

4. When you are happy with your picture go over their pencil lines with a crayon.

KS1 Topic: We are Britain Block F Castles Session 2

5. Paint each shape with watercolour paints. It may help to paint one shape and then jump to another spot on the page to do a new shape/colour. This will help keep the colours from mixing.

6. Paint a black background.
