Year 2 Home Learning Activities – Week beginning: 25th January 2021

Spelling - Our 3 new focus words this week are: **last past fast**

Colourful Words
Write each of your spellings using a different colour for each letter.
spellings

Lesson 1 - Practise your Spellits from previous weeks – can you spell all 9 correctly? (bath, path, half, grass, class, pass, told, cold, hold)

Look at this week's set. Think why these three words go together in a group (letter a making 'ar' sound followed by st). Can you think of any other words that are spelt like this (*e.g. vast, mast, blast, aghast*).

[\(click here for: pdf Spellits – set 4\)](#)

Magic Finger
How to play
1. Choose a word from your spelling list.
2. Put your magic writing finger in the air.
3. Give it a wiggle to wake it up!
4. Spell the word with your magic spelling finger.
Speedy spellers:
In 1 minute, how many times can you spell the word with your finger?

Lesson 2 - Write out the sentences filling in the missing spelling word.

[\(click here for: pdf Spellits – set 4\)](#)

Words without Vowels
Write out each spelling word and miss out each vowel. Ask someone to put them in for you.
N v m b r

Lesson 3 - Write out your own sentences to include this week's spelling words. Try to make your sentence as exciting as possible with adjectives and strong verbs. Extend your sentences by using conjunctions such as and/but/so and because.

Bonus Task

Use something other than a pencil to practise writing this week's and last week's spellings. Maybe try chalk outside, making the words with tiny pebbles, Lego bricks, painting or writing the words in shaving foam.

Storytime

Oak National Academy and the National Literacy Trust have come together to launch a [Virtual School Library](#) to keep children reading during lockdown. Every week, a popular children's author will become the '[Author of the Week](#)' and provide a free book or audiobook and exclusive videos and activities aimed at primary school children, all available at library.thenational.academy

The Books for Topics website has some great online story times to access at home. The QR codes and links in the document lead to story readings on YouTube. All of the books chosen are read aloud by their fabulous authors and illustrators.

Maths

Maths Warm Ups – Quick recall focus – doubles

<https://www.topmarks.co.uk/maths-games/hit-the-button>

There are four maths warm ups called Flashback 4 where Miss Davies reads out the questions and then goes through the answers. Sheets may be printed beforehand or children can record answers on paper or whiteboard if available.

Flashback 4 Day 1 – <https://www.youtube.com/watch?v=hExn200wI5Q>

Flashback 4 Day 2 – <https://youtu.be/Bl8efCVtn4>

Flashback 4 Day 3 – <https://www.youtube.com/watch?v=mNE64zpGaNq>

Flashback 4 Day 4 – <https://www.youtube.com/watch?v=yNqRADqqXwM>

In class at the end of each week we usually do a Beat That to help improve rapid recall of number facts. There are 10 questions for the children to answer in 60 seconds. There is an accompanying song which plays while the children are getting ready to start and then a 60 second timer. This week's Beat That **(Doubles)** can be found in the [Yr2 Home Learning Tab on website](#) and click here for the video: <https://www.youtube.com/watch?v=wn8mGBRq9Kk>

Practical Maths

- Use LEGO bricks to build equal groups (for example; show me 4 groups of 4)
- On your daily walk, collect objects, roll a dice twice. The first number tells you the number of groups and the second the number of objects needed in each group e.g. make 3 equal groups of 5 leaves.
- Look around the house, can you spot things that come in groups e.g. pair of socks is a group of 2, a box of eggs is a group of 6
- Match the picture cards to the groups they show *[Activity sheet found in Yr2 HL Tab](#)*
- Play 2x, 5x or 10x race game *[Activity sheet found in Yr2 HL Tab](#)*
