It is not a common sound and we will cover other spellings that make the same sound at the end of the word later in the year.	Read What film is on the television tonight?	Child to write the sentence How can you make your vision better?	Tision. Kabe Lide
Thursday	Play countdown with the words. Water/again/prune/flute/have /like/just/went/from /some/there/little/out /said/when/what/children	Show letter e and read the words bed and he and notice how it makes a different sound	Read We were jumping on the bed, then Ned shouted 'Look at me'	Child to write Fred said he will be the first in line.	Keat Spaw loup
Friday	Revise the sounds Ay/or/aw/oe/wh/ph	Show the letter l and read the words tin and find and notice how it makes a different sound	Play Georgie's Gym with Reach out your left arm. Skip down the hill. Tap my hand. Punch the air.	Child to write Be kind to Tim do not hurt him.	Prowt Kirn snay

Mnemonic - a phrase or action to help us to remember. In Reception class we rub our tummies and say mmmmm to learn the sound m. We use them in letter and number formation as well as in learning to spell. If you know any or create your own please let us know and we can all learn them.

When writing a longer word your child could clap syllables in the word first. Carpet - car/pet. You can use your sound arm so tap each sound with your right hand on your left arm (or the other way around) c-ar-p-e-t then blend them together c-ar/ car /carp/ carpe /carpet and stroke your right hand down your left arm as you say the whole word. This can also help with reading a new word.

Some prefer to hold up one finger for each sound when making a new word. Eg box - b.o.x 3 fingers, chip - ch.i.p 3 fingers, from - f.r.o.m 4 fingers, chain - ch.ai.n 3 fingers, grape - g.r.a-e.p 4 fingers. Your child then needs to work out which grapheme to use to make the 'a' sound ai/ay/a-e. This help to ensure that all the sounds in the word are written.

Pairs - write the words for the game on separate pieces of paper, 6 words on 6 pieces of paper. Turn them face down on the table/floor. Child turns over 2 and reads them both. If they match they keep them if not turn them back and the next person has a go.
