IT

Tuesday 8th February is Safer Internet Day.
This day aims to promote safe, responsible and positive use of internet technology. The main goal of Safer Internet Day is to raise awareness and start a conversation about internet safety. Please talk to your child, ask them questions about how to be safe online, this might be on a computer, tablet, a phone or computer game. **Click to read the story Buddy's the dog Internet Safety Story**

5 top tips:

- Monitor your child's internet use and keep a track of their browser history.
- Make sure you choose strong passwords for your secure information.
- Keep your privacy settings high to ensure your security.
- Ensure you're up to date with all the latest security software.
- Remember to be as vigilant on your mobile as your desktop or laptop.
- Don't click on links you don't trust.
