

Home Learning for Year 1's Toy Story Topic

Numeracy

Make a treasure map, tell someone else how to find the treasure using positional language (half, quarter turns, above, below, next to, in front of, behind, left and right).

Learn to tell the time, what time do you have dinner and go to bed?

Can you put in order who wakes up first, second, third etc. in your house?

Cross Curricular

Identify the materials used to make household items.

Why is that particular material a good choice?

How many different materials can you see in your bedroom? What do they feel like? Can you use some of Victor Vocabulary's words?

Make a den outside choosing the appropriate materials. Invite a friend to share it.

English

Can you retell a story to someone in your family or to your teddy!

Ask a grown-up member of your family about the toys they liked to play with when they were young. Can you write down some of their memories together?

Can you spot two letter spellings in a story book?

Remember to practise your spellings for this half term.

Be Like Casey

Help to look after pets or plants at home.

Be kind to our planet by going for a litter pick.

Create a bug hotel in your garden.

Be kind to your grown up by carrying your own bags to school.
